Study Guides and Strategies Website—A Helpful Resource

The Study Guides and Strategies website (www.studygs.net) provides a wealth of information to help students learn more about everything from time management to math to memorization. The website features guides that offer suggestions, tips, and new approaches for learning. This is a great resource for a student to use whether you are looking for new ideas when it comes to studying or you would like to revamp what you already do.

The Study Guides and Strategies website includes information and guides on the following topics:

- Bibliographies
- Classroom participation
- Learning
- Learning with others
- Math
- Memorizing
- Online learning/communicating
- Presenting projects
- Problem solving
- Project management
- Reading
- Research
- Resources
- Science and technology
- Studying
- Test preparation
- Test taking
- Thinking
- Time management
- Vocabulary/spelling
- Writing basics
- Writing types

Passport to Your Residence Hall Library

The Residence Hall Libraries are hosting a contest from February 15–April 15. Stop by any of the seven Residence Hall Libraries to pick up your passport. Collect all seven stamps by visiting each library and checking out at least one item. Turn in your completed passport to win one of three great prizes: a Kindle, a \$100 IUB gift certificate, or a pizza party for you and your friends.

For more information visit your local Residence Hall Library, email madsen4@illinois.edu, or go to www.housing.illinois.edu/libraries.

Oh, and don't forget video games for Xbox 360, PS3, and Wii are now available at the Ikenberry Commons Library.
