GET READY FOR MOVE-IN 2018!

WHEN IS MOVE-IN?

The residence halls open for Fall 2018 on Thursday, August 23. New residents of living-learning communities who have registered for LLC orientation move in on Tuesday, August 21. More details available at HOUSING.ILLINOIS.EDU/MOVEIN.

Need to come earlier? For more information visit HOUSING.ILLINOIS.EDU/EARLYARRIVAL. No prior approval needed for early arrival after noon on Sunday, August 19.

WHAT'S INCLUDED IN MY ROOM?

Your room comes with desks with drawers, desk chairs, beds with extra-long twin mattresses, drapes or blinds, locking closets, a computer connection to ResNet, a cable TV outlet, smoke detector, and a wastebasket.

Check out HOUSING.ILLINOIS.EDU/LAYOUTS for specific information on each hall's room layouts, furniture types, and dimensions.

CHOOSING YOUR BED SETUP

If you want your beds bunked, lofted or bi-leveled, need a bed rail, or want a bed extender, log in to MyHousing in late June to choose your bed configuration. You and your roommate need to agree and mutually request a configuration online by the July 6 deadline. If you miss the deadline, wait until Move-In day and submit an online bed request. Requests will be answered on a first-come, first-served basis.

ORDERING CARPET, LINENS, AND MICRO-FRIDGES

Visit HOUSING.ILLINOIS.EDU/MOVEIN to find more information on purchasing linens or carpets, or renting micro-fridges before you arrive. Proceeds go back to programming and events in the residence halls.

WHAT SHOULD I BRING?

Flip over for complete checklist!

After receiving your room assignment, contact your roommate to discuss what each of you plan to bring to avoid duplication of large items and electronics. You can bring your own belongings to personalize your room. For room decorating ideas, visit HOUSING.ILLINOIS.EDU/FABPAD.

Don’t try to bring everything you own — you can always get it later. Not all halls have elevators, so it is better to pack smaller boxes that can be handled by one person rather than a few large ones. There is no space for storage in most halls.
