• For-credit courses offered in the hall that fulfill graduation requirements.
• A chance to expand your views through exploration and collaboration with campus department and academic programs.
• Access to faculty and world-renowned speakers who come right to the hall.
• A feeling of belonging on Illinois’ large campus.

Visit HOUSING.ILLINOIS.EDU/LLC for more details on all the living-learning communities.

SIGNING UP FOR YOUR ROOM

First-year students are required to live in University-approved housing. You get to choose your own room — even as a new student. We guarantee housing for all incoming students.

Signing up is easy! With our simple process, you can pick a specific hall, room, and roommate in the online housing contract.

Visit HOUSING.ILLINOIS.EDU/APPLY to start your online contract.

BEFORE MAY 15

Accept your offer of admission, wait 24 hours, then go online and complete your contract. A $50 non-refundable application fee and $150 advanced payment must be paid to complete your contract. Students who received an Admissions application fee waiver are eligible to receive a University Housing application fee waiver.

You have the best chance of getting your preferred space, living-learning community, or special living option if you complete your contract by the May 15 priority deadline.

If you complete your contract before May 15, you'll be assigned a random entry time in late May to choose your room and meal plan.

LATE MAY

When your random entry time arrives, log in to your contract. Choose the exact room you want from the available inventory. Then choose a meal plan.

Make changes anytime until housing selection closes in mid-June.

LATE JUNE

We'll send you a notice that confirms your room selection and the name of your roommate.

EVEN IF YOU MISS THE MAY 15 PRIORITY DEADLINE, WE'LL STILL HAVE A SPACE FOR YOU.

University Housing will pick a room and roommate for you based on the available space and the location preferences you provide in the online contract. We'll send you a confirmation when your assignment is made.

Why Random? We assign entry times in random order so that all students who meet the May 15 priority deadline have an equal chance of getting their preference no matter when they are admitted or accept their offer of admission.
SELECTING YOUR ROOMMATE

KNOW YOUR ROOMMATE ALREADY?

Indicate your roommate preference before May 15 and you’ll both be assigned the same random entry time so that you can choose your room at the same time. Both roommates need to select a room during the same entry time. If you and your preferred roommate want to live together in a living-learning community, both of you need to list that community location in your preferences and complete the essay question.

DON’T HAVE A ROOMMATE YET?

Lifestyle questions in the online contract will help you match with potential roommates. Use our email feature to send messages to other students to learn more about living together before requesting to be roommates.

DON’T HAVE A PREFERENCE?

Place yourself in a double room with one open bed space to be paired with an unknown roommate. You can also place yourself in a double room that isn’t occupied and allow an unknown roommate to select the other space.

CHOOSING A LIVING-LEARNING COMMUNITY (LLC)

To receive priority consideration to live in an LLC, indicate your preference before the May 15 priority deadline and complete the LLC essay. If you are approved to be placed in an LLC, you’ll get a special early entry time to select your room in the community. We’ll send you a notice that confirms your LLC room selection and the name of your roommate in late June.

If you have a roommate in mind, both of you need to list the same LLC as a preference and complete the essay.

If you don’t get approved to be placed in an LLC in May, you can check back in early June after all the assigned entry times have occurred to see if your preferred LLC has space available.

Need a Special Accommodation? If you need a special accommodation because of a disability or medical need, let us know in your online contract under the personal contacts and details section. Missed that part? Just email us at housing@illinois.edu or visit HOUSING.ILLINOIS.EDU/ADA for more information.
MEAL PLANS

All students living in an undergraduate residence hall are required to purchase a meal plan. Use your meal plan at any of the dining halls, restaurants, cafes, and stores operated by University Housing.

There are four meal plans to choose from. Visit HOUSING.ILLINOIS.EDU/MEALPLANS for more information on each plan.

### 12 Classic Meals + 15 Café Credits
*The most affordable plan.*

Get a consistent number of meals to use each week. Use the added Café Credits for occasional hunger on the go.

- Access all six dining halls for all-you-care-to-eat (buffet style) meals. Each visit or access counts as one of 12 weekly meals. Meals not used in a week expire on Saturday.

- Café Credits can be used to purchase additional meals in a dining hall (between 8 and 13 credits per meal) or individually priced items at our six convenience stores and coffee shops. (1 credit = $1)

- Up to one week’s worth of unused Café Credits (15 credits) can rollover to the following week.

### 10 Classic Meals + 45 Café Credits
*The most popular plan.*

Enjoy the consistency of a weekly meal plan with added flexibility. Use the extra weekly Café Credits for quick, light meals or snacks.

- Access all six dining halls for all-you-care-to-eat (buffet style) meals. Each visit or access counts as one of 10 weekly meals. Meals not used in a week expire on Saturday.

- Café Credits can be used to purchase additional meals in a dining hall (between 8 and 13 credits per meal) or individually priced items at our six convenience stores and coffee shops. (1 credit = $1)

- Up to one week’s worth of unused Café Credits (45 credits) can rollover to the following week.

---

*Students with special dietary needs can still enjoy the meal plans. We have nutritionists on staff to help with healthy eating, food allergies, and special diets. Note special dietary needs on your contract so we can work to accommodate you. Visit HOUSING.ILLINOIS.EDU/SPECIALDIETS to learn more.*
### All Classic Meals
**The best value plan.**

Eat at any of the dining halls whenever they are open — whether it’s a sit-down meal, a quick snack, late-night munchies, or just a beverage.

- Open access to all six dining halls for all-you-care-to-eat (buffet style) meals as well as snacks and beverages throughout the day.
- Visit a dining hall once per meal period up to seven times each day.
- Most like an unlimited meal plan

### All Café Credits
**The most flexible plan.**

Use Café Credits to pay for what you choose to eat, when you choose to eat it. Eat at any dining hall or get beverages, convenience foods, or prepared food at University Housing retail locations anytime.

- Receive 130 Café Credits each week.
- Use Café Credits to purchase meals in a dining hall (between 8 and 13 credits per meal) or individually priced items at our six convenience stores and coffee shops. (1 credit = $1)
- Up to one week’s worth of unused Café Credits (130 credits) can rollover to the following week.

Illini Cash can be purchased and put on your i-card at any time to supplement any of the meal plans. Use it like Café Credits to purchase meals and grab-and-go items at any University Housing dining spot or retail location, as well as coffee shops and food locations in the Illini Union, academic buildings, and on campus.
