**LIVING-LEARNING COMMUNITIES**

Illinois offers 11 unique living-learning communities (LLCs) where students who share similar interests live together in the same building or floor. Each LLC offers a variety of events and services to support students in their academic and personal growth. LLCs are available to all majors.

Living in an LLC comes with great benefits:
- An opportunity to live with students who share your interests and goals.
- For-credit courses offered in the hall that fulfill graduation requirements.
- A chance to expand your views through exploration and collaboration with campus departments and academic programs.
- Access to faculty and world-renowned speakers who come to the hall.
- A feeling of belonging on Illinois’ large campus.

Visit [HOUSING.ILLINOIS.EDU/LLC](http://HOUSING.ILLINOIS.EDU/LLC) for more details on all the living-learning communities, including how to apply.

Need A Special Accommodation?

If you need a special accommodation because of a disability or medical need, let us know in your online contract under the assignment considerations section. Missed that part? Log back in and complete the information.

In addition to completing the assignment considerations section, please register with the Division of Disability Resources and Educational Services (DRES). Visit HOUSING.ILLINOIS.EDU/APPLY-NOW/ADA-ASSIGNMENT for more information.
SIGNING UP FOR YOUR ROOM

First-year students are required to live in certified housing approved by the University. You get to choose your own room — even as a new student. We guarantee housing for all incoming students.

Signing up is easy! Choose your hall, room, and roommate when you fill out the online housing contract.

Visit HOUSING.ILLINOIS.EDU/APPLY to start your online contract.

Before May 15
Accept your offer of admission, wait 24 hours, then go online and complete your contract. A $50 non-refundable application fee and $150 advanced payment must be paid to complete your contract. Students who received an Admissions application fee waiver are eligible to receive a waiver of the $50 application fee and the $150 advanced payment is deferred until fall semester.

You have the best chance of getting your preferred roommate, space, living-learning community, or special living option if you complete your contract by the May 15 priority deadline.

Late May
If you complete your contract by the deadline, you’ll be assigned a random entry time in late May to log into your contract and choose your room and meal plan. You can make changes anytime until housing selection closes in mid-June.

We assign entry times in random order so that all students who meet the priority deadline have an equal chance of getting their preference no matter when they are admitted or accept their offer of admission.

Late June
We’ll send you a notice that confirms your room selection and roommate.

SELECTING YOUR ROOMMATE

Know your roommate already?
Indicate your roommate preference before May 15 and you’ll both be assigned the same random entry time so that you can choose your room together. Both roommates must select a room during the entry time.

Don’t have a roommate yet?
Complete the lifestyle questions to match you with potential roommates. Use our email feature to send messages to other students to learn more about living together before requesting to be roommates. You can also use incoming Illinois student groups on social media to connect with potential roommates.

Don’t have a preference?
Go random. Place yourself in a double room with one open bed space to be paired with an unknown roommate, or place yourself in a double room that isn’t occupied and allow an unknown roommate to select the other space.

CHOOSING A LIVING-LEARNING COMMUNITY (LLC)

To receive priority consideration to live in an LLC, you must indicate your preference before the May 15 priority deadline and complete the LLC essay. If you are approved for an LLC, you’ll be assigned a special early entry time in late May to select your room. If you do not select your room during this entry time, you may not be guaranteed a room in the LLC. We’ll send you a notice that confirms your LLC selection and the name of your roommate in late June.

If you and your preferred roommate want to live together in an LLC, both of you need to list that community in your preferences during Step One of the contract and complete the LLC essay question.

If you aren’t approved to be placed in an LLC in May, you can check back in early June to see if your preferred LLC has space available.

IF YOU MISS THE MAY 15 PRIORITY DEADLINE, WE’LL STILL HAVE A SPACE FOR YOU.

University Housing will pick a room and roommate for you based on available space and your location preferences. We’ll send you a confirmation when your assignment is made.

Rates for both semesters of the academic year have been recommended to the Board of Trustees. Rates are subject to change. Visit HOUSING.ILLINOIS.EDU/RATES for final rates. Residential Fund Council (RFC) student government dues of $16 per year are included in room and board rates.

Constant Rate Program Makes Planning Easier
The room and board rate structure for the year you enter University Housing will apply in all future years if you live with us continually (up to four years). Should you select a different room type or meal plan with University Housing in the future, you will only pay the 2019–2020 rate for that room or meal plan.

Visit HOUSING.ILLINOIS.EDU/RATES to view rates for singles (shared and private bath), triples, and quads.
MOVING IN

First-year residents move in to undergraduate residence halls on August 22, 2019. First-year residents of living-learning communities who are attending LLC Orientation move in August 20, 2019.

If you need to move in prior to these days, you can do so as early as August 18, 2019 for a fee of $60 per day.

Visit HOUSING.ILLINOIS.EDU/MOVEIN for more information about moving in and early arrival options.
